Staff Members: Sandra Dahl-Houlihan, Diana Wallace, Alli Weaver, and Sara Sams

## **\*Agenda**

Review of last meetings minutes.

### **\*Discussion of Cell Tower Money**

School would like to use \$1000 for School Play and the remaining money for Student and Teacher incentives

Jennifer made the motion to approve and Tasha seconded the motion.

### **\*School Community Council Bylaws**

Sandra shared the School Community Council Bylaws, parent/teacher compact, and parent involvement policy

### **\*Proposed Elementary Schedule for 2015-2016**

Sandra shared the schedule that the schedule committee has prepared and will be presenting to the Board today at the Board Meeting. Having the PLC's is a benefit altogether.

### **\*Data Review**

Diana shared each grades RTI triangle for mid-year benchmarks.

### **\*No Parking Anytime**

Parent concern-Is there a way to remind parents of the "No Parking Anytime" zone by the crosswalk on the north side of the school? The sub crossing guard had been parking there since we got back from Winter break. Even after politely mentioning to her that she was in a no parking zone, she continued to park there. Then parents, not paying attention to the signs, started following suit and parking behind her. I finally called the city last week and it seems that she has

listened to her supervisor and chosen to park elsewhere. Some parents are still parking there out of habit. Not sure the best way to address it, but thought you would like to be aware. Sandra will call the city and Ryan Jakeman about parking concerns.

**\*SCC tradition: The Carnival**

Jennifer and Tasha talked about upcoming carnival. Last year was the best year because of early planning.
