

Canyons School District
Vision, Mission, Values, Tenets, and Indicators
Approved - October 4, 2016

Vision Statement:

Canyons School District is a public education system dedicated to delivering a high-quality education to students, valuing and rewarding the vital contributions of employees, and helping learners of all ages be prepared for meaningful life opportunities. We value transparency and collaboration in governance. We work together with families and community partners to establish and maintain safe, supportive, and academically challenging school environments which strengthen neighborhoods and communities.

Mission Statement:

Every student who attends Canyons School District will graduate college-and-career ready.

Core Value and Belief Statements:
