Our Sandy Elementary Shark Family Continues to Grow! Meet More of Our New FIN-tastic Faculty and Staff Members at Sandy Elementary This Year!

Mrs. Claudia Mago is our new Family Learning Center Director this year. She is JAW-some and gives support our families all the day long. Claudia's favorite color is purple and she can dance up a storm! Mrs. Mago's family does not have a pet at the moment but they would like to get one soon. We are super lucky to have Claudia as a Sandy Shark!

Mr. Alexander is our new 2nd/3rd/4th Grade Teacher. His favorite color is icy blue and his least favorite food is spaghetti. Mr. Alexander has two pet dogs named Cooper and Tuna- we better keep him away from our Sharks!! One cool thing about Mr. Alexander his his uncanny ability to solve a Rubik's Cube. We are super excited to have Mr. Alexander as a new member of our team!

Mrs. Tammy Nay is our new Special Education Teacher working along-side Mrs. Katie Bradshaw. Mrs. Nay loves the color red, but does not like peanut butter. Mrs. Nay's favorite thing about school is the opportunity to learn something new every day. Mrs. Nay used to be in a family band and can play the guitar! We love Mrs. Nay already and we are so happy she joined our Shark-tastic team!

Mrs. Alexis McCombs is our new PE Teacher this year- and she is AMAZING! Mrs. Alexis loves the Sandy Elementary culture, as well as interacting with her students every day. Mrs. Alexis has two dogs named Enzo and Hercules and her favorite color is black. Mrs. Alexis has the hidden talent of playing the piano- We already have a guitar-player with Mrs. Nay-I feel a Sandy Elementary band forming! We are so lucky to have Mrs. Alexis as a part of the Shark family, hopefully for many years to come.

Mr. Jesse Gunnoe is our new head custodian at Sandy Elementary. Mr. Jesse's favorite color is purple and he is allergic to pineapple, sadly. Mr. Jesse's favorite thing about school is the subject of Math. Believe it or not-Mr. Jesse has a hidden sword-fighting talent. We are so happy Mr. Jesse is our new custodian and jaw-some member of our Sandy Elementary team.
